## CONSENT & RELEASE OF LIABILITY:

I authorize fix (IT) chix to repair my device. This may include replacing original parts. I agree that fix (IT) chix, its owners and employees are not liable for any loss of data, including pictures, music, emails or any other personal files kept in this device. In the event that data is lost I may not seek legal recourse from fix (IT) chix. I understand that having parts replaced by fix (IT) chix can void the manufacturer's warranty. Fix(IT) chix does not use Apple certified parts, all parts used in repairs are third party and not associated with Apple in anyway. If the device is not paid for and/or retrieved within 30 days from the date of the agreement mentioned below, it will be considered abandoned and become property of fix (IT) chix. Fix (IT) chix is NOT liable for any shipping damages.

**Please backup all of your data prior to shipping your device. Also it is important to either provide your passcode or remove it from your device. The passcode limits ability to evaluate device and post installations.**

## PAYING FOR YOUR REPAIR:

We will contact you upon receiving the device with an estimate for repair. A \$20.00 labor charge must be paid upfront before the repair can take place. Your payment can be taken on the phone, and we accept all major credit cards.
